

## THE ARCHERY ACADEMY OF N.H. SPRING ARCHERY PROGRAM

**PROGRAM OBJECTIVE:** Discover the world of target archery - a sport the whole family can enjoy together. Archery is flexible and adaptable to individual physical and emotional needs because each family member can choose to shoot with light or heavy bows, from short or long distances, at indoor ranges or in their own back yard. The sport builds upper body strength, improves mental concentration and develops strong eye-hand coordination. This program is for students, adults, &/or parent/child. Children under 8 years old must participate with a parent or an adult. Children 6 years old & under may not participate for safety reasons.
